English Garden Tea Background

Garden Blending & Packing was Established 30 Years ago packing speciality tea for others.

July 2006 Garden Blending and Packing decided to launch its own brand producing Only Fairtrade Tea Exclusively for the Catering Industry.

English Garden Tea own the last remaining tea factory in London, employing local people, some of the factory staff have been working at the plant since the beginning of Garden Blending bringing a wealth of knowledge to the end product and taste.

English Garden's range consists of the most popular speciality teas used in today's Catering market, with an added benefit that the tea is Fairtrade and Exclusive to the Caterer.

English Garden Tea Information

As a Fairtrade certified company, we take the sourcing of our teas very seriously, ensuring that the growers of our teas are treated with respect and fairly rewarded for their efforts. We always strive to ensure the highest quality in both our tea and packaging material, with no compromises along the way.

English Breakfast

This is a superior quality tea from East Africa. A great full flavoured tea that is ideal for that refreshing wake me up beverage.

Earl Grey

This is a light tea from East Africa blended with bergamot oil (granule format) to gain the famous Citrus flavour.

Assam

A rich full flavour tea.

Today, Assam produces more than half the tea grown in India. Assam is the leading tea producing state in India.

Darjeeling

Known as the champagne of teas grown at the foothills of the Himalayas.

When properly brewed it yields a thin-bodied, light-colour liquor with a floral aroma.

English Garden Premium Loose Leaf Teas

Empire Earl Grey

This Classic Black Tea flavoured with hints of Bergamot Orange is a real year round favourite. Delivering a distinctive Citrus flavour in the classic tradition.

Special Reserve Assam

Special Reserve Assam is a characterful tea with a malty taste allied to strength and texture. Chosen from our favourite estate the carefully selected Golden Broken Pekoe grade makes for a stand out tea.

Ceylon Orange Pekoe

Ceylon Orange Pekoe is one of the most famous and best loved varieties of large leaf teas from the Samanala hill range in the west of Sri Lanka.

Himalayan Darjeeling

Himalayan Darjeeling has a delicious, Irresistible taste and aroma. It's distinctive style comes from the rich soil and hilly terrain producing a light tea liquor and delicate fragrance.

Pure Peppermint

There is nothing like the taste of fresh peppermint leaves, but this comes very close. In addition it is known to soothe and ease digestion.

Traditional English Breakfast

Traditional English Breakfast is a bright lively tea, strong enough to help you wake up in the morning, but suitable for any time of the day.

Jasmine Green Tea

Jasmine Green Tea is a fantastic blend of green tea and jasmine blossoms infused overnight to produce this most exquisite of tea infusions, delivering a light crisp and distinctive floral flavour.
